## **TRAVEL INSURANCE**

We highly recommend you **purchase** travel insurance. As we all know, especially as travelers, "life happens." Whether it's family, work, mother nature or a change of heart, it is important to be prepared in case you need to unexpectedly change your travel plans. You can purchase a travel insurance policy and be protected in the event that you need to make a change or need to be covered financially prior to or during your trip.

I understand that if I need to cancel for any reason that my only recourse for a refund will be through travel insurance that I have personally purchased or if I have someone to *take my spot in the retreat and they have paid in full by January 18, 2023*. Initials: \_\_\_\_\_

Initial one of the following:

\_\_\_\_\_ I will be purchasing travel insurance.

\_\_\_\_\_ I will not be purchasing travel insurance, knowing this is my only recourse for a refund.

Below are two travel insurance companies that come highly recommended. We encourage you to research the insurance company and policy that best meets your needs. **Please note, it is common with many companies that you must purchase the policy within 7 - 15 days of buying**
